Pastor Richard Harris

Dear Girls and Boys,

Here are some coloring sheets for you this Sunday. You can choose the ones you want to color.

The first sheet is a drawing of different animals. Can you name all the animals? Maybe you have seen some of these animals.

The deer with the horns is called a Scimitar horned oryx. They come from countries in North Africa. The band around the front of their face is black. The tall animal in the middle of the sheet is a giraffe. Did you know there are 9 different kinds of giraffes? hey are the tallest animals.

The Bible verses on the last sheet are the first verses in the sermon that Pastor Richard is preaching from today. "Manifested" means to make known. Jesus has made known God's name. What are some of the names that God has that you have learned? Maybe your favorite name for God is Father. God is your heavenly Father who made you and keeps you and loves you.

The title for the sermon is: The Marks of Christ's People.
Do you remember what the marks are?

I can't wait to see you again!

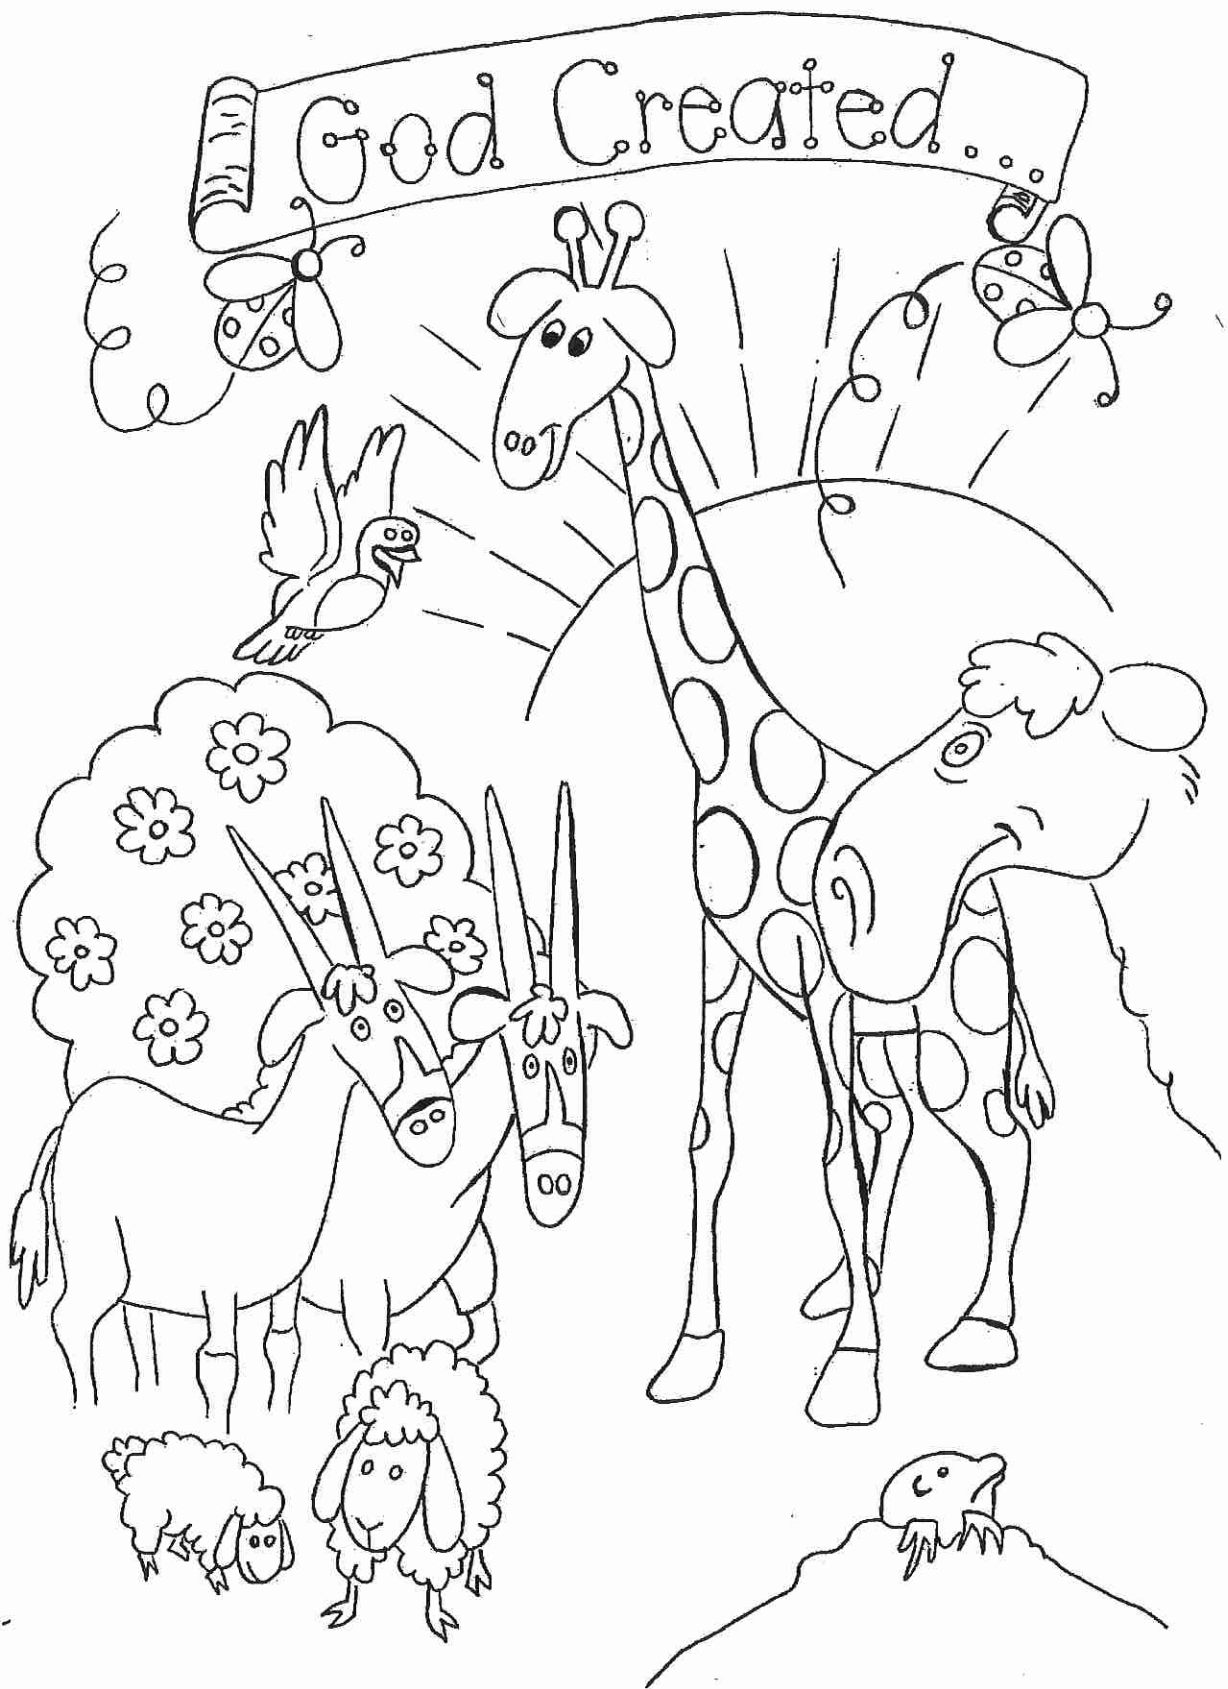

Love, *Helen*

Here is a prayer for you:

Dear Heavenly Father,
Thank You that You have made Yourself known. You gave us Jesus. He has shown us what You are like. Thank You for the songs we are singing today. You are wise and You live forever. You sent Jesus to wash away our guilt and sin through His precious blood. Now I am an heir of heaven. Today I can praise You. Thank You that You have sent Your Holy Spirit to live in me. Thank You that I am redeemed, restored and forgiven. You are a good Father!

In Jesus' Name, Amen.
